Dear Families,

service

Whether you are a new, returning, or prospective family, the staff at AACS would like to welcome you to the 2019-2020 school year. We are really excited to offer an exceptional education with an emphasis on your student as a learner, and our Faith in God.

Let me begin by introducing myself! My name is Mr. Switalski and I will be your Principal! I can't wait to get to know every one of you, both parents and children. I want to build an atmosphere where the kids feel comfortable talking and expressing their Faith, and believe each person can build a meaningful relationship with God that is truly their own. We all learn differently, talk differently, walk differently, and show our Faith differently. The goal is to express that in whatever way is comfortable to you.

As excited as I am to offer this welcome letter, it is the face-to-face interaction that I value most. If you would like to come and see the school in action, please do not hesitate to contact me and we can set up a meeting to tour the school and classrooms. All of us at AACS are looking forward to providing a safe and nurturing faith filled environment.

God Bless! Go Eagles!

Clark Switalski
