FIRST GRADE FYI'S

May 20

- **FIELD TRIP:** On Wednesday, May 22 the first graders will be taking a field trip to the Saginaw Children's Zoo. We will be leaving school at about 9:15 and returning to school about 1:30. Please pack a sack lunch for your child. If you are joining us for the field trip and would like to take your child home from the zoo you are more than welcome to do so, you will just need to sign out with me before leaving. If you are riding the bus and would like to take your child home when we return, you will need to sign out with Ms. Chris. All children who do not have a parent/chaperone going on the field trip will be returning to my classroom and dismissed at normal time.
- **DRA TESTING:** I started DRA testing last week. I will continue to work on it this week. We will have Daily 5 some days and DRA testing on other days. Results will be coming home with reports at the end of the year.
- **MATH:** Chapter 10 is our last chapter and is on 3 Dimensional Shapes such as cubes, cylinders, and spheres.
- **WRITING:** The students are working on How To books (teaching others about something they know how to do). We are focusing on using the words first, next, then, and last.
