FYI's

I pray you all have a good and safe Labor Day weekend. Remain diligent in monitoring symptoms and keeping your children home when they do display symptoms. We all want to offer a high quality education, but we will need your help to make sure our classrooms stay open.

******Slight change to our masks ******

- Children will be asked to wear a true mask and not a gaiter neck mask (scarf). Many children wearing those have had trouble keeping them on which is not in accordance with state and local guidelines.*
- Please send a second mask for the backpack. There have been a number of broken masks in week one.*

For the safety of our children and families please follow the Covid directive of entering the parking lot at the east entrance and exiting through the west entrance. THANK-YOU
