The year 2020 and a pandemic has been much harder on some than others. We as followers of God are called to help those who need it. As a result, we are collecting food items for the parish food pantry. When you are out visiting family or friends ask them to help fill our local parish food pantry. The Preschool class is collecting boxed meals (mac and cheese, hamburger helper, etc.). You can bring the items from November 2-6th. Thank You for your generosity.

Please make sure to check your Preschooler's folder everyday. There maybe important items that come from the office.

On Friday, October 30 there will not be extended care for the afternoon. All Preschoolers will be dismissed at 11:30. Extended care will be back in session on Monday, November 2.

The weather is getting colder, the children go outside for play and warmer outdoor clothing needs to be brought to school. There will be some days that the children will need hats and gloves. Please label all clothing with your preschooler's name.

Please bring extra clothes in your Preschooler's book bag. There are times they may have an accident. Also, please check to make sure the clothes in their bag are warm clothes. The weather has changed to cooler weather.

When picking up your Preschooler, please put the orange sheet of paper that has your last name on it in the window on the passenger side everyday. There will be times Mr. Switalski will not be out there and another person will be directing the children to their cars.

Mission Statement: Auburn Area Catholic School, with our parishes and families as partners empowers each student along their academic journey to develop their God given talents and to become a lifelong disciple of Christ.
