Eagle Update

GOSPEL: John 15:9-17

It is still Easter Time. Are we still celebrating? In today's Gospel, we are reminded about love. Jesus loves us and asks us to remain in his love, just as he remains in his Father's love. Jesus finds great joy in loving us, and his love should bring us great joy! Jesus asks us to love not only him, but to love one another.

Repeatedly, the Gospel narratives remind us that love is the central mission of Jesus. As he says here, we did not choose him, but he chose us! That is something to celebrate!

Jesus asks us to love one another. How can we show people close to us that we love them? How can we show someone that we don't know very well that we love him or her too? Gather some ideas with your children and put them into action. We human beings experience love primarily through the power of appropriate touch. Share a hug or snuggle or show support to someone with a hand on the shoulder or a simple handshake. Let us find great joy in loving others!

There is officially less than a month left in school and very few full weeks of instruction left. This year has been very successful considering the circumstances. I am proud to be an Eagle, and all of you should be as well! Accomplishing what we did this year is nothing short of amazing when compared to other districts. I do not fully know what types of modifications we will have to have next year, but I know we will all do the best we can for the situation.

The raffle sales have officially gone out! There will be a sale of the left over tickets after mass on May 22-23. Sell whatever you are able too, and if you need more, just ask the office and Mr. Derek can get an envelope sent home for you. I want the best for our kiddos and upgrading some structural items in the building are going to be a necessity.
