Eagle Update

GOSPEL: John 17:11b-19

As we near the end of Easter Time, Jesus prays to God for his disciples. He prays that they are united as one, that they share completely in Jesus' joy, that they are protected from evil, and that they are washed in God's truth. Jesus clearly loved his disciples and interceded with the Father on their behalf, so that they would continue to be protected and united even after he ascended into heaven. Jesus acknowledges that the world is not on their side, but he is. How Jesus cares for his relationship with his followers! How can we respond to that loving care?

Jesus gave us the words to pray to God in the Our Father. How can we pray together as one, as Jesus wanted? This week, pray the Our Father together. Hold hands in a circle as you pray. What else would unite Jesus' followers?

The last week to sell tickets is upon us! I know you are all doing your best to help support the school and I appreciate everything you do! Continue doing your best with the raffle and you can only do what you can do!

The 5th graders are getting ready to leave and the PK students are practicing entering the school. It is bittersweet to say the least. I want them to move on and be successful, but I also selfishly wish they could stay here for the duration of their schooling. The PK students are just beaming with excitement, and I honestly can say, it is hard not to be happy and excited for them at this time. They will move on to brighter and bigger things in life just like the 5th graders. I have faith in the Catholic traditions they have made and formed here over the year, I only pray they have the courage to continue their faith journey!

Have a warm wonderful weekend!
